Engineer

I confirm that all equipment on site has been left in the condition it was found (i.e. switched on or off as appropriate), and that I have tested all equipment made available to me.

Have there been any Fails or Recommendations to report?

If YES please make sure that a fail Report has been completed, and a copy has been signed by hand and left with the customer.

Customer

I confirm that, to the best of my knowledge, all equipment has been left in the condition it was found (i.e. switched on or off as appropriate), and that all equipment is running.

All equipment, including in cupboards, storerooms, etc has been made available to the engineer to test. This includes all equipment used off site by mobile engineers and homeworkers.
